

Do you agree with what is being done  
in the name of America?

Do you want to discuss the political climate  
in the context of our Christian responsibility?

## ***Dr. David Ray Griffin***

Author of “Christian Faith and the Truth Behind 9/11: A Call to Reflection and Action”

**Will speak on Tuesday, September 25<sup>th</sup> @ 7pm**

**First Congregational Church**

**444 East Broad Street**

Dr. Griffin was in the process of writing a book on ethics when he became convinced upon examination of some of the facts of the 9/11 terrorist attacks that we had not been told the truth by the government and the media, which refuses to allow serious discussion of the subject. He has written *The New Pearl Harbor, 9/11 and American Empire: Intellectuals Speak Out*; *Debunking 9/11 Debunking*; *9/11 Commission Report: Omissions and Distortions*; and 20 other books on theology, American empire, and 9/11.

“*All Americans who love their country enough to dig into the facts of these critical times will be well rewarded by examining [Dr. David Ray Griffin.]*”

-- Reverend William Sloane Coffin Jr, author of *A Passion for the Possible: A Message to U.S. Churches*

“*If you are open to recognizing that the United States behaves much as other great powers have behaved, but you get your information through standard American channels, I dare you to expose yourself to the facts Griffin summarizes, facts that have been suppressed by our newspapers and magazines. If you are one who wants to be a disciple of Jesus, you will have some hard thinking to do about what American Christians are called to be and to do at this historic moment.*”

-- John B. Cobb Jr, coauthor of the *American Empire and the Commonwealth of God*
